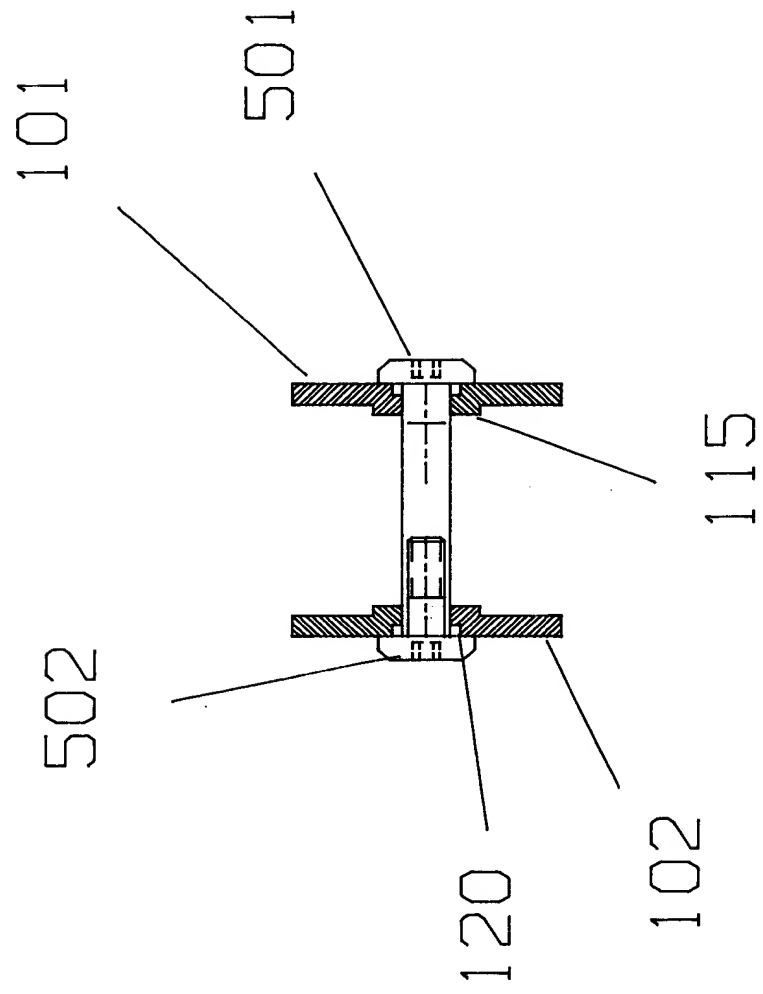

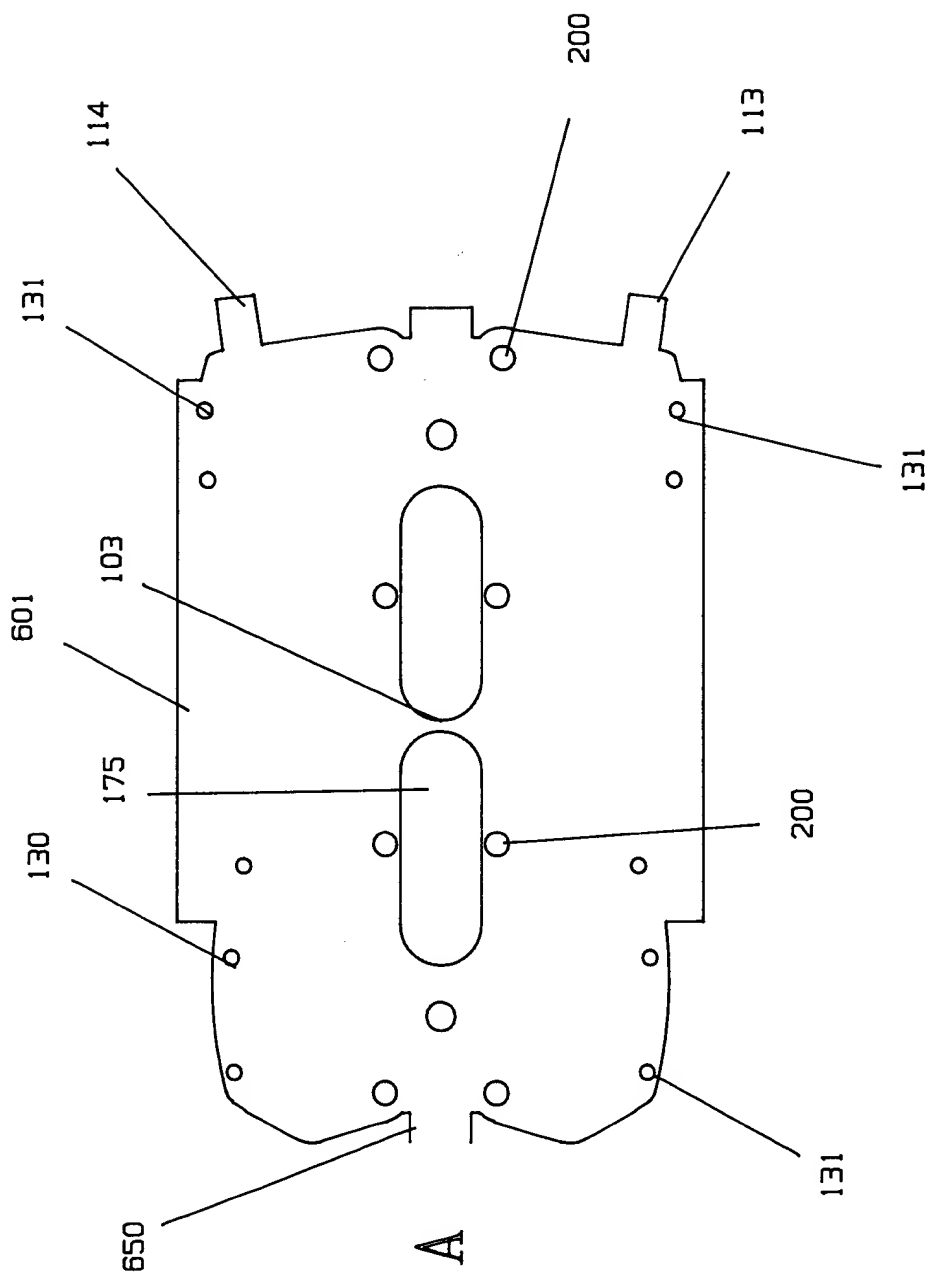

FIG. 6

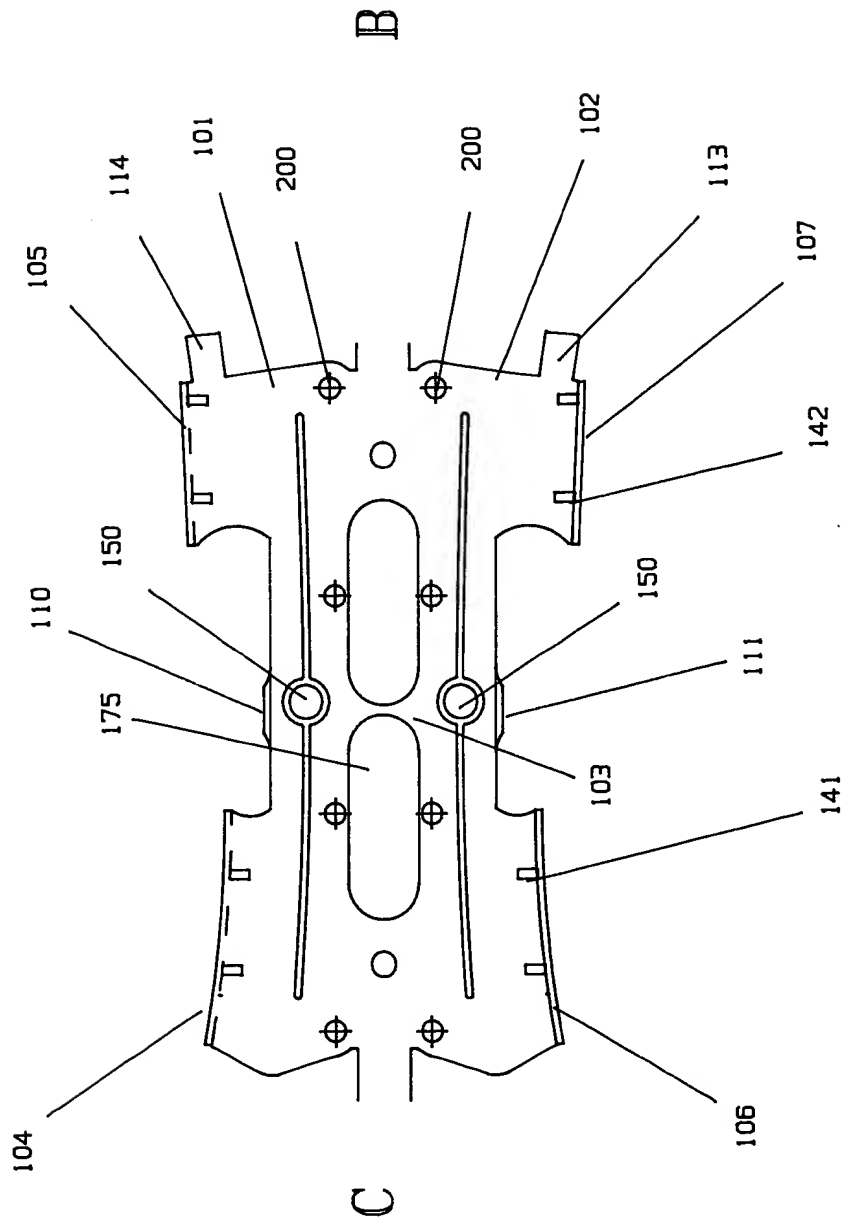

Fig. 1 is a perspective view of a mechanical assembly 100. The assembly includes a central shaft 110 with two large oval-shaped cutouts 111. The shaft is supported by two main bearing housings 101 and 102. Each housing has a central opening 103 for the shaft. The housings are secured with bolts 104 and 105. The assembly is mounted on a base 106. A central nut 107 is used to clamp the two halves together. A label 'C' is at the top.
